City of Bonney Lake, Washington
City Council Agenda Bill (AB)

Department/Staff Contact: Public Works / Doug Budzynski	Meeting/Workshop Date: 24 May 2016	Agenda Bill Number: AB16-72
Agenda Item Type: Resolution	Ordinance/Resolution Number: 2534	Councilmember Sponsor: Donn Lewis

Agenda Subject: Notice of Award for Construction of Fennel Creek Lift Station.

Full Title/Motion: A Resolution Of The City Council Of The City Of Bonney Lake, Pierce County, Washington, Authorizing A Contract With Award Construction For The Construction Effort Of The Fennel Creek Lift Station.

Administrative Recommendation: Recommend Approval

Background Summary: The City's Sewer Comprehensive Plan identifies the location of a future sewer lift station in the area of 192nd Ave and Sumner-Buckly Hwy. This future lift station will support the immediate surrounding areas planned for development and those areas to the east of the site including Cedar View, Kelley Glade, and Swiss Park communities. On October 27, 2015, City Council approved the design contract to Parametix. Parametrix completed the design on schedule and a request for bids was advertised on April 13, 2016. The City received 5 bids and opened bids on May 4, 2016. Award Construction was the apparent low bidder with a bid of \$1,811,429.70. The Engineer's Estimate is \$1,816,485.20. Staff has determined that Award Construction's submittal is consistent with the requirements of the contract provisions. Sewer SDC funding is used for this project. A 2016 budget adjustment is required. A proposed Sewer Assessment Reimbursement Area (ARA) is being prepared to help reimbursement of this project.
