Cole Office Building

Jason Cole introduced the project – 2 story office building 8516 182nd Ave E., site located behind Bonney Lake Automotive off of Old Sumner Buckley Hwy.

Mr. Cole went over his site plan and where parking would be located. He then showed his color scheme and building design plan. Mr. Cole would like his building to follow the same style and design as other buildings in the area.

Chair Strous-Boyd had a concern with parking lot lighting being up against a residential area. Commissioners were happy with the design and color plan for the building. Commissioners would like to see a landscaping plan.
