Mike L. Mitchell, Chief of Police

## **Stolen Industrial Remote Vision System\*\* 1,000 REWARD**

On May 12<sup>th</sup>, 2011 at approximately 1:00 pm, an Atlas Intertest Industrial Vision System was delivered by Fed Ex to a Bonney Lake residence. Shortly thereafter, the package was stolen by a white female, late teens to early 20's, slim build and brown hair in a pony tail. The female grabbed the package off the front porch and entered the passenger side of a white compact car, possibly a Toyota or Nissan sedan.

**Stolen: PTZ-550 I Shot Industrial Remote Vision Camera and Controller in black Pelican case.**

**A \$1,000.00 Reward is being offered by Atlas Inspection Technologies for the safe return of the inspection system.**

If you have information regarding a suspect in this case or the whereabouts of the listed item, please contact Bonney Lake PD Investigations Unit at 253-863-2218. Additional photos available.
