Councilmember James Rackley

Attendees:

Public Services Director, John Vodopich
Administrative Specialist, Debbie McDonald

I. Presentation: NONE

II. New Business/Action Items:

Approval of September 20, 2016 CDC Meeting Notes

Meeting Notes Approved as Written

AB16-132, D16 – 132, Mandatory Sewer Connection

Public Services Director Vodopich discussed the changes and asked for recommendations on how close a house would have to be to connect to the City sewer system and if it should be upon the sale of the house.

The Committee agreed that houses within 200 feet and at time of sale would have to connect to the City's sewer system. They also appreciated how fast this issue was able to get resolved.

Moved to Consent Agenda

AB16-134, Resolution 2564, Sewer Main Video Inspection Contract with Bravo Environmental NW Inc.

Public Services Director stated he requested bids from four companies. Bravo Environmental NW Inc. was the only company to submit a bid. The bid would only cover schedule A and B.

Water Meter Change Outs

Public Service Director Vodopich reviewed the letter compiled by Assistant Superintendent of Public Works Dave Cihak. Meter change outs should be completed by 2018 with no further loss in funding.

Committee Members are concerned by time the meters are changed out, will there be better technology available and what the cost would be to install newer meters over what is already being installed.

Superintendent of Public Works Ryan Johnstone and Assistant Superintendent of Public Works Dave Cihak will be invited to the November 15, 2016 meeting to discuss the meters.

Councilmember Lewis adjourned the meeting at 4:47 P.M.
